DOMESTIC ORDERS (U.S. & CANADA)

1. All orders must be prepaid in full prior to shipment.
2. Please allow 1 - 2 business days to receive a quote. Once payment is received, please allow 1 - 2 business days to process and ship your order.
3. All transit times are estimates only. SlipDoctors is not responsible for Customs and/or carrier delays.
4. For Canada shipments, Solution Provider is responsible for paying duties and taxes.
5. Hazardous materials can only be sent via ground within the Continental United States. Shipments to Hawaii, Alaska and Puerto Rico will be reviewed on a case-by-case basis to determine best shipping method(s).
6. Please consider available shipment methods (per chart above) when ordering product(s) to learn which products can and cannot be shipped via air for overnight or 2-day delivery.
7. It is highly recommended that your order be placed in sufficient time to allow for a possible reshipment if some or all of the product is damaged during transit. If damage occurs, a reshipment may or may not be possible via air per the chart above.
